APRIL MEETING: CANCELED

April's 136th Security Forces Squadron's Burger Burn has been canceled due to COVID 19 concerns. We agreed at our March meeting that if the Burger Burn was canceled we would not have an April meeting, practicing social distancing ourselves and meeting the guidance of "stay home", "stay safe". Unfortunately, this has not stopped the deployments for our two units, please stop and say a prayer for them and their families during these troubled times. Pray they're families remain safe and healthy during their absence, but pray for the Defender to have a safe and secure mission and a safe and secure return home once their mission is complete.

HARD TIMES—COVID 19:

There are many resources available from unemployment, government stimulus, to loan extensions. Don't let these times weigh you down like an anchor. Do your research, talk to your lenders, they seem willing to help during these times.

Help stop the spread of COVID 19

Treat this as the public health crisis that it is, and act accordingly.

Only gather with members of your household.

Use public park spaces as an outlet for mental and physical health, practice social distancing.

Use video, messaging, phone calls whenever possible.

Remember, don't be selfish and take all the toilet paper on the shelf. :-)

MAY MEETING:

With not having an April Burger Burn, our next scheduled meeting is May 2, 2020. I do not have a crystal ball that works..lol, so depending on this horrible virus and world events, we may have to move to the right some. Currently, Dallas and Tarrant Counties have a "stay home" "stay safe" order through April 30, but already talking about moving that date out. Just know, that our thoughts and prayers are with you and your family during these trying days. If and when we have our next meeting, we sure hope you come join and share in great fellowship with other Defenders.

MEMBERSHIP DRIVE:

I recently sent out an email to all Defenders (except current members) in our northern Texas area, who have accounts with the AFSFA. I explained who we are and what we stand for, and invited them to come join us. Don't forget, if you meet a fellow Defender, ask them to check us out!

"STAY SAFE—STAY HOME", but hope to see you all there in May!
