What to Expect this Month

"Watch our for April Fools Day"

Next meeting - April 1, 2023 @ 1030hrs

Thought I would start off with a little history fact for you. Some historians speculate that April Fools' Day dates back to 1582, when France switched from the Julian calendar to the Gregorian calendar, as called for by the Council of Trent in 1563. In the Julian Calendar, as in the Hindu calendar, the new year began with the spring equinox around April 1.

This month we will be gathering at our normal stomping grounds, 301st Security Forces Squadron, 1235 Depot Avenue, NAS JRB Fort Worth, TX. 76127.

This meeting will find us returning to the normal decorum with Keith opening the meeting, followed by Robin giving the treasurer report. Terry will cover all open business items. We'll then except any new

People who were slow to get the news or failed to recognize that the start of the new year had moved to January 1 and continued to celebrate it during the last week of March through April 1 became the butt of jokes and hoaxes and were called "April fools." These pranks included having paper fish placed on their backs and being referred to as "poisson d'avril" (April fish), said to symbolize a young, easily caught fish and a gullible person.

No April fools here. We're excited to see you all at our next meeting.

business items. We always gab for a little bit, then we'll adjourn our meeting.

Open Business:

- Possible Chapters
- Roll Call
- Sweethearts Luncheon
- AFSFA Open Positions
- Annual Elections
- AFSFA Board Meeting Updates

We are always looking for new opportunities, so if you would like to share any, please feel free to contact me. Remember the Bottom Line: *We are Defenders helping other Defenders.*

For Virtual 5K, \$5 is added to include shipping. Two years ago we had 4 of us participating. We'd love to see that number grow. Use the link below and don't forget to use our team name!
