April Events

What a blessed month, hope you get involved. We start the month with our monthly meeting on 7 April 2018, where we will discuss the upcoming burger burns for both the 301SFS and 136SFS.

Annual Awards

As many of you are already aware, the Billie Renfroe Chapter was awarded the “2017 Brig Gen Allen J. Jamerson Runner-Up AFSFA Chapter of the Year Award. Well it’s time to start preparing for 2018. Your inputs for the package would be greatly appreciated.

Billie Renfroe App

The Billie Renfroe App has finally been published for Android on Google Play. We should have it published on the Apple Store within the week. Chapter working to stay connected!!!

New Members and Guests

First let me welcome our new members. We’re glad you recognize what an amazing organization the AFSFA is and our ability at the local level to support our Defenders. The Billie Renfroe Chapter encourages our guests to come check us out. As stated previously, we are more than just a bunch of retirees getting together to tell war stories, although some do...☺. We pride ourselves on giving back to our Defenders and connecting with the next generation of young Defenders. We would love to have you part of that. Join us!
