But as we all know, success is not just measured by trophies (but very nice), but by the lives we touch. I hope to think we are doing just that helping our fellow Defenders. Thank you!

3rd Annual Raffle

Its time again for our annual raffle. We decided that this year, we would raffle a tactical shotgun only. This event is a great fund raiser for us each year and your participation selling raffle ticket will be greatly appreciated. We've already started selling tickets at this years annual conference. If you not aware, as the two previous years, we will draw the winner during our Holiday Luncheon , December 1, 2018.
