What to Expect this Month

Next meeting - December 2, 2023 @ 1100hrs

Defenders,

Happy Holidays! What a crazy time in the world we all exist in, but thank God we are still existing in it. This is a great time to sit back and be thankful for the blessing we have received and share some love and comfort to others. Remember, it doesn't always have to be about the gifts (who got the better gift, or the more expensive gift), just pick up the phone and call a family member, a friend, someone you have spoken with in years and just say hello! Sometimes that the perfect holiday gift, just hearing your voice and know you thought of that person. Please never forget the reason for the season! Also, please keep our deployed Defenders in your heart and prayers this holiday season. I'm sure we've all been deployed or TDY during the holidays or birthdays, even anniversaries. Keeping them in your thoughts goes a long way.

This month we are coming together as a Chapter to celebrate the holidays with our traditional Holiday Luncheon. We're meeting at Salt Grass again and we always have a wonderful time. We get to present the 136 SFS and 301 SFS award winners their awards. We hold our annual raffle. This year a Henry "Golden Boy" .22 caliber rifle or \$500.00 which ever the winner choses. And best of all, we get to enjoy each others company.

Keith will suspend all normal business for the month. Conduct the Pledge of Allegiance, present the awards, conduct the raffle, and then have Prayer before the meal.

We are always hopeful that you will take the time and come out and join us. It doesn't matter if you regularly attend meeting or never been to a single one, we really hope your consider coming. Remember the Bottom Line: *We are Defenders helping other Defenders.*

CMSgt (Ret) Terry Ferguson

2024 Proposed Annual Calendar

Annual Dues

Annual Dues Time:

If you haven't already done so, please pay your annual dues. If you wish to pay by credit card, simply click on the link below. Remember, our dues are helping other Defenders. We support both the 136SFS and the 301SFS as well as Defenders themselves.
