## Inside this issue:

### Upcoming Changes to our Monthly News Letter!

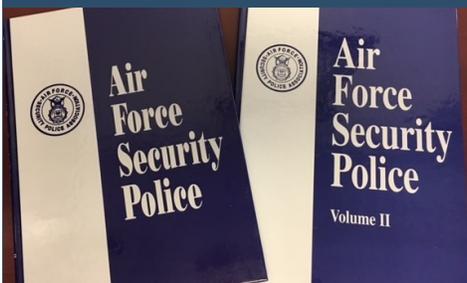

As you can see, I'm a little late getting this months news letter out to you. We'll I've been working on a new and user friendly version of an email newsletter. You have probably seen newsletters come that have the ability to link to other sites as well as not having to open a .pdf document to read the letter. Well that's what I've been working on. I thought I would have it available for test release this month, but I'm still experiencing a few technical difficulties. As always, when launched, don't be afraid to provide me your feedback.

### March's Meeting:

The 301SFS has asked that we pardon their mess this weekend. As with the rest of us, they experienced the extreme cold weather a couple weeks ago. They also experienced water damage from pipes breaking during the power outages. My house got down to 38 degrees, reminded me of walking aircraft at Great Falls Air Force Base, Montana, but not as much fun.

### AFSFA VOLUME III BIOGRAPHIES

Hopefully, you all have received my email I sent yesterday in reference to our Chapter excepting a challenged by the AFSFA. AFSFA challenged each Chapter to see who can submit the most biographies. I hope each one of you will support the Chapter by submitting your biography to me and I will submit them to AFSFA. Keep in mind they are requesting two photos, one of you in your military uniform and one of you now. Also remember to limit your biography to 150 words, or the publisher will charge you for each additional word over that. As stated, send me whatever you have and I will put it in the appropriate format for you. I will also send you a copy of what your submission will look like before being sent to AFSFA.

### Police Week Virtual 5K:

With the COVID-19 pandemic last year, our Chapter police week events were forced to be canceled. MSgt Guy Craig has jumped back in this week and created an opportunity to participate in the National Police Week Virtual 5K. If you go to: <https://runsignup.com/Race/VA/Fairfax/NationalPoliceWeek5K> and scroll to the bottom and select Teams. Under Team Name type Billie and it should populate Billie Renfro Chapter JOIN button. This will take you to the registrant fields. Simply sign up. NOTE: The cost is now \$40.00 + \$3.82 signup fee. You can also purchase a tees shirt if you wish and a patch for your battle vest or in my case, my Harley vest. If asked for a password, use: Goodenough. Our Chapter is supporting the Officer Down Memorial Page. What a great cause to partner with for our National Police Week. Hope you consider taking part.

**Hope to see you all there!**
