Okay: I purchased the below embroidered design for our Billie Renfroee Chapter. I'm going to attempt to make a few patches. Is this something that would be of interest to the Chapter. Your feedback is welcome.

136 SFS Burger Burn:

Thank you to the member that were able to make it out and support the 136 SFS Defenders. We had 7 members, 2 guests and 49 136 SFS personnel. Thank you, it was a great event!!

Its that time of year again for the AFSFA National Meeting. This year we are in San Antonio, TX. The guest speaker is General David L. Goldfein, Air Force Chief of Staff. Will be a great time at the Double Tree by Hilton at the airport. Hope you make it!
